

## **IMMANUEL LUTHERAN PRESCHOOL**

**2565 AIRLINE DRIVE, BOSSIER CITY, LOUISIANA 71111**

**The Lutheran Church, Missouri Synod**, an international church body of 2.4 million members in 6000 congregations, has a long, strong heritage of support for Lutheran schools. Lutheran schools make up the largest Protestant school system in the United States and are in every state along with several hundred schools located in other countries.

### **Lutheran Schools**

- Are driven by a commitment to the Gospel
- Are governed by board members who clearly understand their roles
- Meet or exceed state and national academic standards
- Have educators who model visionary, servant, and spiritual leadership

Since 1968, **Immanuel Lutheran Preschool** has provided a quality education for young children in a Christian atmosphere. Our preschool maintains a trained and dedicated staff and a low teacher to student ratio. Since its inception, the school has existed as a ministry of Immanuel Lutheran Church and is “mission” in the way it reaches out to the community by providing a Christian School.
